

Men's Shed

In 2016 letters were forwarded asking for support to form a "Men's Shed" in Quilpie. 117 signatures of interest and numerous phone calls of support were received.

The Men's Shed idea is part of the Quilpie Shire Arts and Cultural Plan 2016-2020.

I am now calling on interested persons in the community to form a committee to proceed with the idea.

A meeting will be held at 10.30 on

Saturday 21 October in the Quilpie Shire Supper Room

I ask for your support by attending this meeting.
