Road Works in Quilpie

Wednesday 14th March to Friday 16th March 2018

Residents are advised that road works will commence on Wednesday 14th March, 2018 and are expected to be completed by Friday 16th March, 2018. Wet weather may unfortunately delay the scheduling of these works.

The works are required in order to install a water main across Brolga Street. Traffic control signs and speed restrictions, including detour signage, will be in place to maintain a safe working environment for our staff and for the safety of pedestrians and motorists in the area.

Council apologises for any inconvenience caused during the course of this work. We thank you in advance for your understanding and cooperation.

For further information please contact Council's Customer Service Centre on (07) 4656 0500.
