

PUBLIC NOTICE

Yard Maintenance

Following the much needed recent rain, grass has grown and residents are requested to ensure their yards are maintained.

Regular mowing and whipper snipping of yards will help keep vermin and other unwelcome animals at bay as they will have nowhere to hide.

Your co-operation in ensuring your yard is maintained in a tidy manner is appreciated.

For further information please contact Council's Customer Service Centre on (07) 4656 0500.
