

PUBLIC NOTICE

Keeping of Sheep

Residents of the Shire are reminded they are only allowed to keep **one (1)** sheep per premise.

In addition to this all livestock transported from one property to another is required to have an NLIS tag inserted in their ear and maintain a record of stock movement. This includes bringing sheep from a property out of town into town to save mowing the lawn or other purpose.

Residents who have more than one (1) sheep in their town yard are advised to relocate each additional head of sheep prior to 21 May 2018 to preclude Council from taking further action.

For further information please contact Council's Customer Service Centre on (07) 4656 0500.
