

PUBLIC NOTICE

Landfill Fires

Council would like to remind residents that the lighting of fires at any Council controlled landfill is not permitted.

Landfills within the Shire are operated under an Environmental Authority with a number of conditions including prohibiting the lighting of fires for any purpose.

There have been a number of fires that may have been purposely lit resulting in a significant cost to Council with staff required to undertake additional monitoring of the site and reporting to the relevant department.

The community will experience inconvenience as Council is required to close the landfill to the public during a fire incident.

All fires are to be reported to Council's Technical Officer, phone: 0437 925 263

For further information please contact Council's Customer Service Centre on (07) 4656 0500.

4 June 2018

Dave Burges
