

PUBLIC NOTICE

Ongoing Water & Sewerage Works **BULN BULN STREET**

Residents are advised that Council continues to undertake water mains replacement works.

Please be advised that between **mid-October and December 2018**, there will be regular road closures and water supply interruptions in **Buln Buln Street**.

Council's planned water main replacement program will, over time, help to reduce the number of service interruptions experienced by consumers, increase water pressure and equalise flow rates.

Households affected will be notified in advance and, on occasions, when Council needs to interrupt water supply to undertake planned maintenance and repair work, we aim to provide you with at least 48 hours notice prior to the event.

During such times, if your service is affected, Council's maintenance personnel aim to restore your connection as quickly and effectively as possible.

For further information please contact Council's
Customer Service Centre on (07) 4656 0500.

24 September 2018

Dave Burges
