Late Decision Report

Ordinary Meeting of Council

18th of December 2019.

To Quilpie Shire Council.

As a requirement of a Small Scale Opal Mining and Mining Claim No MC300242 being approved by the department of Natural Resources Mines and Energy.

I'm required to issue you with a copy of the Mining Claim Application, Mining Claim Notice, Copy of Small Scale Mining Code, and a Copy of Guide to Landholder Compensation.

This allows all party's time to object if they so choose to.

Note last day for objections are the 30th of January 2020.

Please note this new mine MC300242 is being sort to cover my existing mine MC 60322, as there was a issue with the mine peg boundary with MC60322 and it was easier to put a new larger mine over the top of the existing one.

Regards, Nathan Korzeniewski.
