(Diesel Fitter, Light Vehicle Mechanic or Auto Electrician)

Fulltime

We Value: Respect | Communication | Fun & Humour | Pride | Trust | Teamwork

Salary dependent on age - Adult wages apply for mature age Apprentice

Commencement date negotiable (November 2021 – January 2022)

Council is offering an exciting opportunity for an apprentice to join our diverse and experienced team of tradesmen within our Workshop facility. Based out of a first-class modern Workshop, Council is fortunate to have a wide range of trade-qualified expertise within our Workshop, which will allow the right applicant to undertake an apprenticeship in Diesel Fitting, Light Vehicle Mechanics or Auto Electrical. This is a unique opportunity for the successful applicant to commence a career of their choice within the Mechanical industry, or for a mature age worker to obtain formal qualifications while working full-time.

Council is seeking applicants who are genuinely interested in gaining trade qualifications within the mechanical industry, and who display a keen interest in learning the necessary knowledge and skills to repair, service and maintain a wide range of plant and equipment. Council's workshop is responsible for plant ranging from light equipment and vehicles, to heavy earthmoving machinery. The successful applicant must be able to demonstrate a willingness and the ability to contribute to a safe, clean, harmonious and efficient workshop facility. Applicants must be prepared to study and travel to successfully complete their training obligations.

Council is committed to fostering our values of Respect, Communication, Fun and Humour, Pride, Trust and Teamwork within the workplace. Accordingly, the demonstrated ability of applicants to exhibit and promote these values will be considered as part of the selection process.
