

# QUILPIE SHIRE COUNCIL

## COUNCIL COMMUNITY NEWS

### June 2022

This newsletter is the final release in the 2021/2022 financial year, as Council prepares for the announcement of the new budget at its Special Meeting of Council on 6 July 2022. It is important to reflect on the year that was, the challenges, the successes and what's to come over the next 12 months. The past 12 months has seen Council deliver major projects throughout the Shire, these include:

- Eromanga Hall toilets upgrade;
- Gyrica Gardens Multi-Function Centre
- New residential dwellings in Quilpie & Eromanga
- Baldy Top upgrades (walking paths, toilet & BBQ area)
- Knot-o-Saurus Park
- John Waugh Park speaker system & cricket pitch cover
- Electronic Notice Boards
- Visitor Information Driver Reviver
- Sealing of Burt Street & Mitchell Street in Eromanga
- 5Km of new seal on the Quilpie-Adavale Road
- Over 10km of widening work on the Quilpie-Charleville Road
- \$6.4M in flood restoration works
- Water main replacement on Jabiru Street
- New cold water tanks at the Adavale Sports and Recreation Grounds
- New shed at the Eromanga Sewerage Plant.

Council have seen significant delays with the delivery of materials due to impacts on supply chains. Further compounding this has been the recent impacts of Covid throughout our workforce which has resulted in projects being delayed to the 2022/2023 financial, these include:

- Bi-Centennial Park Upgrade
- Toompine Playground Installation
- Adavale Playground Installation
- Telephone Bore/ Cooma Road Causeways
- Eromanga Kerb & Chanel.

Throughout the last six months, Council has undertaken engagements within the community through interviews, meetings and workshops to shape the future direction of the Shire with the establishment of the 2022-2027 Corporate Plan. The plan sets the strategic direction and priorities for our community for the next five years. This plan is delivered in detail through the annual Operation Plan, adopted alongside the Budget each year.

The past 12 months has been a year of planning for Council, with the formalisation of a Public Wifi and CCTV Masterplan, Brolga Street Masterplan, the commencement of the John Waugh Park Masterplan (including Bi-Centennial Park and Aquatic Centre). This has also highlighted the need for futureproofing our Shire through the development and review of existing Masterplans including the Quilpie Sewerage Treatment Plant (\$300,000 funded through Building Our Regions), Bulloo Park Masterplan and Eromanga Pool Masterplan.

Planning for the future is essential when planning for success, the foundation of this success is delivered through our Masterplans. This planning came to fruition last month with the announcement that Council were successful in partnering with NBN to secure \$4.75M in Regional Connectivity Funding to provide Fibre to the Premises (FTTP) services in Quilpie, with works expected to commence in early 2023. Council are still awaiting the announcement of pending grant applications for the Toompine Bore Replacements and Town House Estate Development – Stage 1, being the construction of 3 x 2 Bedroom Townhouses and 3 x 3 Bedroom Townhouses.

I look forward to providing the community with updates on the progress of Council over the next 12 months and hope to report on our pending grant applications in the near future.

Kind Regards

Justin Hancock  
Chief Executive Officer

## Ordinary Council Meeting Wrap Up

*The Unconfirmed Minutes of the Ordinary Council Meeting of Tuesday 21 June 2022 are available in full on Council's website: [www.quilpie.qld.gov.au](http://www.quilpie.qld.gov.au)*

A request was received from a local resident to relocate the existing zebra crossing in Buln Buln Street adjacent to Jabiru Street, after a child was at risk of being hit by a car as they used the crossing. Council resolved to construct a Children's Crossing mid-block in Buln Buln Street between Jabiru Street and Quarrior Street, and to negotiate with the adjacent school with regard to School crossing flags erection and removal.

Planning has begun on the reconstruction of the sealed runway at Quilpie Airport. To expedite the procurement process, Council resolved to undertake an Expression of Interest process to shortlist no more than three suitable Contractors in accordance with S228 (5) of the Local Government Regulation 2012; and to invite written tenders for the Quilpie Airport Upgrade works from the Expression of Interest process.

Council agreed to apply discounts to rates on several lots to simplify administration processes, and changes to rating categories.

Council's Swimming Pools Management and Supervision Policy C.05 was reviewed ahead of the next pool season.

Council's Revenue Policy was reviewed for the 2022/23 financial year, in accordance with section 193 of Local Government Regulation 2012. The policy guides the preparation of Council's Revenue Statement for 2022/23. Matters for review included levying rates and charges, granting concessions for rates and charges, recovering overdue rates and charges, and cost recovery methods (fees).

A Community Assistance Grant was awarded to Quilpie Country Women's Association for financial and in-kind support to the value of \$4,425 to assist with facilitating the CWA Centenary Celebration Party 'QCWA 100 Years and Beyond' planned for 6 August 2022.

Council resolved to accept quote from South West Ford & Nissan for the supply of a 2022 Ford Everest Trend for the value of \$68,226.50 (inc GST).

The Quilpie Brolga Street Masterplan was endorsed. Works will commence to implement the plan in accordance with budget and other existing works commitments.

The Quilpie 5 year Corporate Plan 2022 – 2027 was adopted, as per the Local Government Regulation 2012.

Council received a request on 28 March 2022 for consideration to provide a water connection to Lot 40 NK839916. As this lot is outside of Council's Water Service Area, consideration was undertaken as to if a Water Access Agreement should be entered into to supply water. Council resolved to accept the request for the installation of the connection, and that the landholder is responsible for all labour and material expenses for the installation, approvals, ongoing repairs and maintenance, and an annual water utility charge.

The Holiday's Act 1983 provides for the granting and observance of special holidays which includes show days. Council nominated Friday 8 September 2023 (Quilpie Show Day) as the 2023 special holiday.

### Vacant Positions with Quilpie Shire Council

Council is looking to employ:

**Labourers** (Concrete and Structures) on a Fixed Term (6 months) contract - if you are enthusiastic and hard working and can efficiently and effectively carry out general labouring works, then this might be the job for you.

**Casuals:** Council is seeking expressions of interest from applicants who would like to be on-call for casual employment on an 'as-needed' basis. Potential roles include administration, labourers and plant operators.

For more information please check [www.quilpie.qld.gov.au](http://www.quilpie.qld.gov.au)

## Works Update

Works continue on the Shire playgrounds, with new playground equipment installed at Toompine this week, and progress at the Bicentennial Park in Quilpie. The shade shed will be completed by the end of June, and more equipment is being installed this week.

Please be aware that the playground is still closed, and it is forbidden to enter the construction zone. Things can get damaged - including the trespasser!

## Queen's Platinum Jubilee Beacon Lighting Ceremony - 2 June 2022

Quilpie's celebration opened with Lauren Park's violin recital, a speech by Cr Barnes, followed by the lighting of 4 beacons by the Quilpie Fire Service and a fireworks display by Brian Weeks, Council's Works Manager. Site preparation by Council's crew was outstanding.

## Queensland Rural and Industry Development Authority

### New sheep and goat industry development grants now available

Expressions of interest (EOIs) for co-contribution grants up to \$200,000 are now available for primary producers and enterprises in the sheep and goat industry across rural and regional Queensland. EOIs close 31 July 2022.

The Rural Agricultural Development (RAD) Grant scheme is aimed at assisting goat and sheep enterprises including producers and businesses along the supply chain that use sheep and goat-derived materials in their products or activities.

the RAD Grant is a competitive scheme with funding of up to \$2 million available in round one.

QRIDA administers this scheme on behalf of the Department of Agriculture and Fisheries.

## Grant funding may be used for:

Grant funding may be used for an eligible activity, including, but not limited to:

- developing a new market for a product derived from sheep and goats; or
- expanding the capabilities of businesses within the supply chain for production, processing, manufacturing or selling products derived from sheep or goats; or
- providing specialised training or equipment to an eligible primary production enterprise.

## Ruins of old bush pubs in the Eromanga District: (ii) The Tampoon

Rob Savory

### General Introduction

There are ruins of four old bush pubs within the Eromanga District. They are all associated with old coach roads and/or stock routes.

- Jack-in-the-Rocks and The Tampoon pub were located beside the Adavale-Windorah road.
- The Maroo and The Tally Ho! were close to Kyabra Creek, on the stock route from Windorah to Eromanga and Thargomindah.

These pubs were built at various times between about 1884 and 1913. After some years, they all closed down due to lack of business (with the advent of motorised trucking) or as a result of an accidental fire. After each the pub had closed, it was stripped bare of outbuildings, windmills and any reusable timber and roofing iron. Certainly the neighbouring property owners were right into 'recycling' long before it became the trendy word it is today.

Road Map of Queensland (1913)

### The Tampoon

The Tampoon Pub was located on the stock route / road from Adavale to Windorah

This grave of an unknown person lies on the stock route to the east of the pub. Almost certainly it is that of a bullocky or drover because of a cue, (arrowed) that was deliberately placed at the base of the cross. This grave has now been identified with BUSH GRAVE marker BG 21.

#### Chocolate Date Bliss Balls

##### Ingredients:

1 cup dates, chopped  
3 tablespoons cocoa powder  
½ cup nuts  
¼ cup seeds  
¼ cup water  
½ cup puffed grain (quinoa, brown rice or other) (optional)  
Desiccated coconut for coating (optional)

##### Method:

BLEND dates and dry ingredients in food processor.  
ADD enough water to form a stiff paste.  
OPTIONAL: transfer mixture to bowl and stir through puffed grain.  
ROLL mixture into 18 balls.  
COAT with desiccated coconut and refrigerate for 30 minutes before serving.

##### What's Great About It:

These bliss balls are a great source of energy on the go! They are full of fibre from the different nuts and seeds and dried dates and make for a delicious snack.
