

Quilpie Shire Council Kerbside Collection Information Flyer

Rubbish Bin Rules

To ensure your bin is collected, there are a few things you need to know:

Place bins next to kerb before 6am on day of collection

No hazardous waste (flares, batteries, gas bottles, asbestos, oils)

Do not overload the bin (max weight is 70 kgs)

Place bin on the footpath next to kerb. Wheels nearest to your house

Kerbside collection days

MONDAY	Quilpie residential & business
TUESDAY	Eromanga
WEDNESDAY	Quilpie businesses
FRIDAY	Quilpie businesses

New/Replacement Bins

- Residential waste bins can be ordered by contacting Shire Councils administration office on 07 4656 0500
- Standard issue is 240L waste wheelie bin
- Residents also have the option to purchase an additional permanent 240L bin (additional fees and charges apply)

Damaged Bins

- Waste bins are the property of the residence and their care and maintenance is the responsibility of the resident.
- Damaged bins may be inspected by Council's Waste Services team and may be repaired or replaced at their discretion.
