Town Clean Ups

Quilpie, Eromanga, Adavale

(Cheepie and Toompine by request)

Council is carrying out the annual town clean ups in the week commencing *Monday 28 November 2022*

General items no longer required can be placed neatly on the footpaths outside your property by 6.00 a.m. on Monday 28 November.

Items that can be collected include furniture, white goods, timber, garden prunings/branches, tyres and scrap metals. No putrescent (food) waste is allowed. Asbestos in any form should not be put out for collection.

Council will also collect cars from within properties by appointment. To arrange removal of cars, please contact (07) 4656 0500 and advise the address and type of vehicle.

This is at no cost to the property. This may avoid a clean up order being issued in the future where too many car bodies are on site.

For residents in Toompine and Cheepie villages, contact (07) 4656 0500 to request assistance within the village areas only.
