

# COMEDY NIGHT ROUND 2

*Quilpie Shire Council's Comedy Night Round 2 has been and gone for another year.*

*It wouldn't have been such a successful night without the generous funding we received from **apa** through their East Coast Grid Expansion Project Community Grants Round 2.*

*This funding enabled us to provide a free night of laughter with two stand up comedians, live music, a two course dinner and supervised movies for the young.*

*Thank you **apa***
