

PUBLIC NOTICE

NBN Scam Calls

Council has been made aware that people in the community have received calls from people claiming to be representing NBN, indicating they will be installing NBN over the weekend and requiring access to people's computer.

These are scam calls.

NBN or ServiceStream will not be requiring access to anyone's computer nor will be seeking any forms of payment during the build of the Fibre to the Premise in Quilpie. The physical build is expected to commence mid-September 2023.

Please note: NBN and ServiceStream will both be at the Field Days and Show this weekend, please seek out more information about nbn installation directly from the team.

Please be aware if you receive a call, and support friends and family by sharing this information.
